

# CHRISTMAS 2021

**Swantex**

Swan Mill Paper Company Ltd

Welcome to our 2021 Christmas catalogue. We know that last year was exceptionally hard on everybody, so we hope to bring some much needed sparkle and joy to everyone's Christmas event this year with our wonderful collection of crackers, tableware and accessories.

At Swan Mill, we are committed to improving environmental sustainability across our entire business. To this end we have worked hard to remove single use plastic contents and dramatically reduce the use of non-recyclable materials.

As a result we are pleased to say that to that all the crackers created for 2021 feature innovative sustainable alternatives to the traditional single use plastic toys and games. The plastic curling ribbon has been replaced with a paper alternative and we have reduced the use of glitter. Don't worry, the paper hat and jokes remain a central part of every cracker.

For 2021, we have removed all plastic content from our new 9" and 10" crackers, the new 11" plastic free crackers feature games and puzzles printed on card (C Content), and our new family 12" crackers have our paper (P Content) which includes games, origami and notebooks.

In addition, our very successful environmentally friendly recyclable FSC® certified Winter's Tale collection has been expanded to include the new 'Kraft Holly' and 'Kraft Poinsettia' crackers in a variety of sizes and new contents.

Our ever popular 14" gold and silver stripe crackers are now glitter free and feature a stunning new emboss to deliver the same premium look.

Furthermore our very popular charity crackers are also totally environmentally friendly and we continue to support the great work of Children with Cancer.

We have accessories covered with a new FSC® certified flat party box which you can fill with your personal touches plus brand new strong paper card Christmas glasses for your guests to wear, and page 15 features our FSC® certified, Vegan Society registered Christmas themed straws.

On top off all this we have new tableware assortments for 2021 including our new entry price point Festive Foliage range, our new cream and gold 'Tis the Season collection, our traditional Merry and Bright offer and our reinvented Midnight Sparkle range. All of which are available with coordinating and complementing crackers, party products and Christmas tableware.

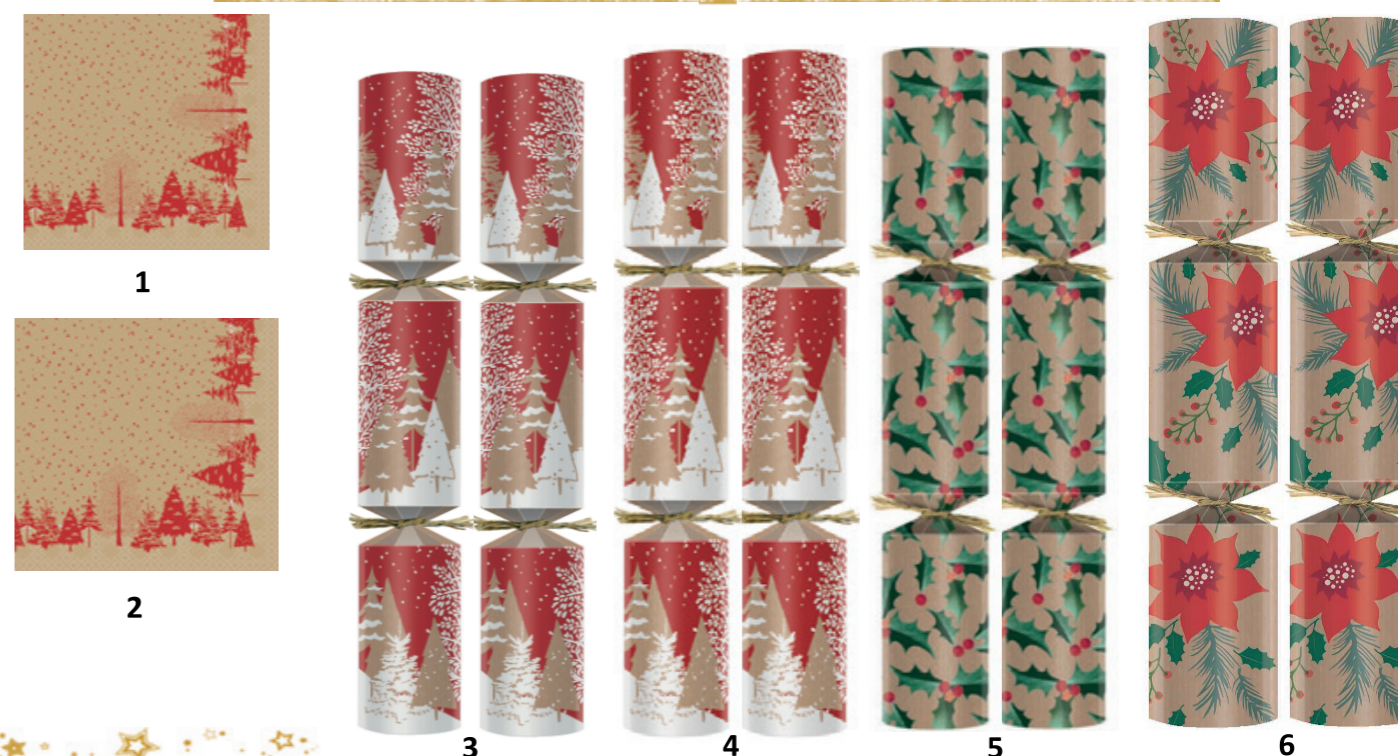

We look forward to discussing your specific requirements and helping you to create perfect 2021 Christmas Parties.

All our FSC® certified crackers and contents are plastic free
